

What Would it Take to Grow Your Business 5x?

The 5x Growth Accelerator is an exercise designed to help you unlock hidden potential. Embrace your creativity, shed limitations, and let your ideas flow.

Think Big.

Your business holds untapped potential. What would it take to unlock that potential and propel your growth by 5x? Imagine limitless resources and jot down what comes to mind.

1. Start typing (ex: expand to a new market)

2.

3.

4.

Plan Medium.

With your bold growth strategies in mind, let's explore what it will take to bring them to life. Write down the resources you might need to turn your aspirations into reality.

1. Start typing (ex: conduct market research)

2.

3.

Act Small.

Taking small steps can lead to remarkable outcomes. What are the incremental actions you can take, today, right now, to set your growth plan into motion?

1. Start typing (ex: call a colleague for advice)

2.
