

# SUCCESSFUL EXIT »

At Future Proof Advisors, not only do we support existing companies along their future-proof journeys, but we also practice what we preach, developing our own forward-looking ventures.

RSVD

## Built & Launched

In 2019, we built and launched RSVD, a mobile web-based SaaS capacity management solution with a mission to make waiting in line optional. RSVD **grew ARR to over six-figures** in just 1-year.

whyline

## Strategic Merger

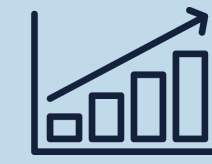

In 2021, we grew further faster by merging RSVD with Whyline, a global leader in virtual queuing tech. This strategic merger accelerated further growth with Whyline driving well over **seven-figures of ARR**.

CLEAR

## Successful Exit

In 2022, Whyline's unique service offerings and exponential growth was recognized by biometric security identity company **CLEAR (NYSE: CLEARME), which acquired the business.**

RESERVE  
powered by CLEAR

## Continued Growth

After the successful exit to CLEAR, the company rebranded the offering as **Reserve Powered by CLEAR**, providing a free TSA reservation service at major airports – **evolving the mission of RSVD even further.**
